## BMW: Apprenticeship Opportunities 2024-25 Apply Online

### Description

BMW Group South Africa is excited to announce apprenticeship opportunities for 2024/2025. The company is looking for dynamic, well-mannered, eager-to-learn, and self-motivated candidates who are interested in starting their career in the automotive industry. This apprenticeship program offers hands-on experience, structured training (both theoretical and practical), and on-the-job training at the BMW Plant in Rosslyn, Pretoria, over a 3-year period.

### Available Positions:

- **Apprentice Mechatronics Technician (Millwright Trade)**
- **Apprentice Transportation Electrician (Automotive Electrician)**

### Responsibilities:

- Participate in a 3-year apprenticeship program, including both theoretical and practical training.
- Complete on-the-job training at the BMW Rosslyn Plant.
- Learn from skilled professionals and gain expertise in various aspects of the automotive industry.
- Develop technical and professional skills related to the chosen trade.

### Requirements:

- Grade 12/Matric with:
  - Mathematics: > 50% (not Maths Literacy)
  - Physical Science: > 50%
- Alternatively, NQF Level 4 or N3 in Engineering Studies with:
  - Mathematics: > 50%
  - Engineering Science: > 50%
- Must have a valid driver's license.

### Job Benefits

- Nated Engineering Studies with relevant trade theory.
- A chance to be part of a prestigious global brand.
- Structured training and development to advance your skills.
- Exposure to state-of-the-art technology and innovation in the automotive industry.
- A clear career path in one of the world's leading automotive companies.
