Sanlam Internship Program 2024 / 2025 Apply Now

Description

Sanlam, a leading financial services group, is offering exciting internship opportunities for individuals who are eager to gain practical work experience in the financial industry. As an intern at Sanlam, you will have the opportunity to work alongside experienced professionals, learn from industry experts, and contribute to meaningful projects that will enhance your skillset and knowledge.

Responsibilities

- Assist with day-to-day tasks: Support various departments within Sanlam by performing administrative tasks, data entry, filing, and other duties as required. This will provide you with exposure to different areas of the business and help you develop a broad understanding of financial services operations.
- Conduct research: Conduct research and analysis on industry trends, market conditions, and competitor activities. This will involve gathering data, preparing reports, and presenting findings to the relevant teams. Your research will contribute to informed decision-making and strategic planning.
- Collaborate on projects: Work collaboratively with team members on specific projects or initiatives. This may involve assisting with project planning, coordinating tasks, conducting research, and contributing to project deliverables. Your involvement will provide you with practical experience in project management and teamwork.
- Client support: Assist in providing support to clients by addressing inquiries, resolving issues, and offering basic financial advice. This will require excellent communication skills, a customer-centric approach, and the ability to understand and meet client needs.
- Learning and development: Actively participate in training sessions, workshops, and other learning opportunities provided by Sanlam. Take advantage of the chance to enhance your technical knowledge, financial acumen, and professional skills under the guidance of experienced mentors.

Qualifications

- Currently pursuing or recently completed a relevant degree or diploma in a related field (e.g., finance, economics, business administration).
- Strong academic record and a passion for the financial industry.
- Excellent communication skills, both verbal and written.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).
- Analytical mindset with the ability to gather and interpret data.
- Strong attention to detail and organizational skills.
- Proactive and self-motivated, with the ability to work independently and as part of a team.
- Willingness to learn, take initiative, and embrace new challenges.
