

Western Cape Dept of Agriculture | APFYD Matric Internships 2024

Description

Are you a recent matriculant with a passion for agriculture and a desire to kickstart your career in this dynamic field? The Western Cape Department of Agriculture invites enthusiastic individuals to apply for our Matric Internship program under the Agricultural Policy, Research, and Food Security (APFYD) division. This internship offers a unique opportunity to gain valuable hands-on experience, develop skills, and contribute to the agricultural sector's growth.

Responsibilities

- **Learning and Development:** Participate in a structured learning program designed to provide you with a comprehensive understanding of agricultural policies, research methodologies, and food security initiatives.
- **Research Support:** Assist in conducting research activities, collecting data, and analyzing information to support evidence-based decision-making in agriculture.
- **Policy Implementation:** Contribute to the implementation of agricultural policies and programs aimed at enhancing sustainability and food security in the Western Cape.
- **Stakeholder Engagement:** Collaborate with various stakeholders, including farmers, industry experts, and government officials, to gain insights into the agriculture sector's challenges and opportunities.
- **Administrative Support:** Provide administrative assistance to the APFYD team, which may include document preparation, data entry, and coordination of meetings and workshops.
- **Professional Development:** Actively participate in training sessions and workshops to enhance your skills and knowledge in the agriculture field.

Qualifications

- Minimum educational requirement: Matric (Grade 12) certificate.
- Passion for agriculture and a genuine interest in contributing to the sector's growth.
- Strong communication and interpersonal skills.
- Attention to detail and a proactive attitude.
- Ability to work both independently and as part of a team.
- Proficiency in MS Office Suite (Word, Excel, PowerPoint).
- South African citizenship or permanent residency.

Job Benefits

- Hands-on experience in the agriculture sector.
- Mentorship from experienced professionals.
- Exposure to policy development and research in agriculture.
- Networking opportunities with industry experts.
- Stipend and allowances as per the department's policies.
