Description

We are currently seeking motivated individuals to join our Internship Program at Wits Health Consortium. This program offers valuable hands-on experience and professional development opportunities in various fields within the healthcare and research sectors. As an intern at WHC, you will have the chance to work alongside experienced professionals, participate in research projects, and contribute to the advancement of healthcare solutions.

Responsibilities

- Assist with research projects under the guidance of senior researchers and project managers.
- Collect and analyze data using various research methodologies and tools.
- Contribute to the preparation of research reports, presentations, and publications.
- Participate in team meetings, workshops, and training sessions to enhance skills and knowledge.
- Support administrative tasks related to project management, including scheduling meetings, organizing documents, and maintaining databases.
- Collaborate with interdisciplinary teams to address research questions and objectives effectively.
- Adhere to ethical standards and guidelines in research conduct and data management.

Qualifications

- Currently enrolled in a Bachelor's or Master's degree program in a relevant field (e.g., Public Health, Biomedical Sciences, Social Sciences, etc.).
- Strong academic record with a keen interest in healthcare, research, and public health.
- Excellent communication and interpersonal skills.
- Proficiency in Microsoft Office suite (Word, Excel, PowerPoint).
- Ability to work independently and collaboratively in a fast-paced environment.
- Attention to detail and strong organizational skills.
- Prior research experience or knowledge of research methodologies is desirable but not required.

Job Benefits

- Gain practical experience in healthcare research and project management.
- Work closely with experts in the field and build professional networks.
- Receive mentorship and guidance to support personal and professional development.
- Opportunity for continued engagement or permanent employment based on performance and availability.
